BRIGHTWATER ROBOTICS, INC.

Employee Handbook

Part 3: Conduct, Information Security, and Hybrid Work

Document ID	BW-HB-03	**Version**	4.2
Effective	January 1, 2026	**Owner**	People Team and Security
Applies to	All employees in the US and Canada	**Supersedes**	Handbook v4.1 (2025)

1. Code of Conduct

1.1 Respect and Equal Opportunity

Brightwater is committed to a workplace free of discrimination and harassment. We make employment decisions without regard to race, color, religion, sex, gender identity, sexual orientation, national origin, age, disability, veteran status, or any other protected characteristic. Harassment of any kind is not tolerated, whether in person, in chat, by email, or at off-site events.

1.2 Reporting a Concern

You can raise a concern with your manager, any member of the People Team, or the Ethics Line. The Ethics Line is run by an outside company, is open 24 hours a day, and allows anonymous reports.

Channel	Contact
Ethics Line (phone)	1-800-555-0142
Ethics Line (web)	ethics.brightwater-robotics.example
People Team	peopleteam@brightwater-robotics.example

- Brightwater begins looking into every report within **3 business days**. Most reviews are completed within 30 days.
- Retaliation against anyone who raises a concern in good faith, or who helps with an investigation, is prohibited and is itself grounds for discipline.

2. Conflicts of Interest and Gifts

- **Gifts you receive:** You may accept gifts from a single business source worth up to **$75 per calendar year**. Cash and cash equivalents may never be accepted.
- **Gifts you give:** The same $75 per recipient per year limit applies. Gifts to government officials are not allowed without prior approval from Legal.

- **Outside work:** Disclose any paid outside work or advisory role in Harbor within 10 business days of starting it. Serving on the board of a for-profit company requires written approval from the General Counsel.
- **Family and relationships:** You may not directly supervise or influence the pay of a close family member.

3. Information Security

3.1 Data Classification

Level	Examples	Handling
Public	Marketing site, published datasheets	No restrictions.
Internal	Org charts, internal wiki pages, meeting notes	Share inside Brightwater only.
Confidential	Customer contracts, unreleased product plans, source code	Approved Brightwater systems only. No personal cloud storage or personal email.
Restricted	Employee health or payroll data, customer personal data, credentials and keys, inspection data from customer sites	Approved systems only, encrypted, and shared with named individuals only. Never entered into unapproved tools.

3.2 Everyday Security Rules

- Use the company password manager, Keystone, for all work passwords. Multi-factor authentication is required on every work account.
- Your screen must lock automatically after **5 minutes** of inactivity.
- Report a lost or stolen laptop or phone to security@brightwater-robotics.example within **2 hours** of noticing.
- Use the Report Phish button in your email client for anything suspicious. Do not forward suspicious messages.

3.3 Using AI Tools

Employees may use only AI tools that appear on the Approved Tools list in Harbor. Approved tools may be used with Internal and Confidential information. **Restricted information must never be entered into any AI tool**, approved or not, unless Security has approved that specific use in writing. You are responsible for checking AI-generated work before you rely on it or share it with a customer.

4. Hybrid and Remote Work

4.1 Work Models

Model	Who it applies to	Expectation
Hybrid (default)	Most office-based roles	In your assigned office on Anchor Days, which are **Tuesday and Thursday**. Remote on other days.
Remote	Roles approved as remote by the VP of the function	Work from your home location. Attend in-person team events up to 4 times per year.
On-site	Lab, manufacturing, and field operations	In person on your scheduled shifts.

4.2 Work-from-Anywhere Weeks

Hybrid and remote employees may work from an approved location other than their usual home for up to **4 weeks (20 working days) per calendar year**. Submit a request in Harbor at least **14 days in advance**. Approved locations are the United States, Canada, the United Kingdom, Ireland, Portugal, and Mexico. Any other country requires review by Legal and Tax and a request at least **45 days in advance**. Work-from-Anywhere time is not a substitute for PTO and does not extend a business trip.

4.3 Home Office Support

- **Home office stipend:** $750, paid once, within your first 60 days, for a desk, chair, monitor, or similar items.
- **Internet stipend:** $40 per month, paid through payroll.
- **Laptop refresh:** Brightwater replaces laptops every 36 months, or sooner if a device fails.
- Eligible items are reimbursed in Ledgerly with receipts. Items bought with the stipend belong to you.

5. Lab and Facility Safety

- Wear closed-toe shoes in Lab areas and safety glasses near active equipment.
- Report any workplace injury or near miss to your manager and Facilities within **24 hours**.
- Know your building's Rally Point. In an evacuation, go there and wait for a headcount.
- Only trained employees may operate test tanks, lifting equipment, or battery charging stations.

6. Speaking for Brightwater

Direct all media, analyst, and speaking requests to the Communications team at comms@brightwater-robotics.example. When you post on social media, speak for yourself, not for Brightwater, and never share Confidential or Restricted information.

7. Company Property

Laptops, phones, badges, tools, and demo robots belong to Brightwater. Use them mainly for work, keep them secure, and return them when you leave. Brightwater may monitor activity on company systems to protect security and comply with the law.

8. Corrective Action

Brightwater uses progressive corrective action. Depending on the situation, steps may include a verbal warning, a written warning, a final written warning, and termination. After a Growth Plan (Part 1, Section 5.3) that does not meet its goals, the next step is normally a written warning. Serious misconduct, such as harassment, theft, or a major security violation, may lead to immediate termination.

In the United States, employment at Brightwater is at will, which means that either you or Brightwater may end the relationship at any time, with or without cause or notice, subject to applicable law. Employees in Canada are covered by the applicable provincial employment standards.

9. Acknowledgment

Every employee acknowledges the Handbook electronically in Harbor within 10 business days of starting, and again whenever a new major version is published.

Brightwater Robotics, Inc. is a fictional company created for training and demonstration purposes. All policies, figures, systems, names, phone numbers, and addresses in this document are invented.
